Auction of building rights

Closing date for applications:

August 28, 2025

This is a place for business with capacity - a large area prepared for industrial development in a strategically advantageous location. Available for local and international companies.

Key features:

- ◆ Access to public rail and regional roads
- ◆ Industrial electricity connection
- ◆ Industrial site with a load-bearing capacity of 60 t for loading and unloading of rail freight
- ◆ Possibility to connect to utilities (water supply, municipal sewerage, storm water sewerage)
- ◆ Spacious and illuminated parking areas, long-term parking for trucks and light vehicles
- ◆ Professional maintenance and management service
- ◆ The term for building rights - **from 45 to 70 years** depending on the amount of investment
- ◆ For the first 24 months, a reduced building rights fee (50% of the current building rights fee at that time)
- ◆ 90 % real estate tax relief (until the industrial building is put into operation), plus additional relief for three years after the industrial building is put into operation
